AUSTRALIA'S LARGEST AND MOST LOVED CORPORATE CHRISTMAS PARTIES

The **Summerfun Corporate Christmas Party** program is Australia's most successful event of its kind. Since its inception 20 years ago this quality event has etched a niche market for itself and developed a significant following of corporates, sporting and social clubs that return annually to celebrate Christmas.

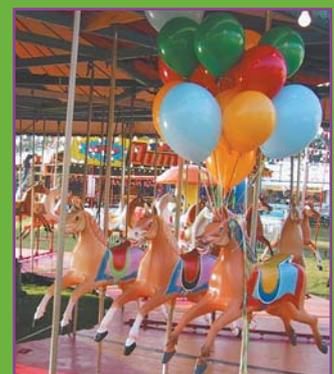

Summerfun 2006 will operate from 10am to 4pm on weekends from 18 November to 10 December, with optional exclusive midweek bookings and evening bookings available upon request.

Our venue, which was introduced for the first time last year, will again be the Moonee Valley Racecourse. This new venue proved exceptionally popular with all our clients due to its ambience, versatility in home based options and accessibility.

We are very excited about our **Summerfun** program this year, we will still be able to provide our clients with our standard package which includes: unlimited rides, entertainment, face painting, Christmas movies and access to our DIY BBQ, BYO picnic area and homebase for your group. But for the first time in 2006 we can provide our clients with the unique opportunity to design and personalise their Christmas party to meet their own unique needs and budget by selecting their own catering packages, location within the venue, ride options and finishing touches.

Our professional staff will use their knowledge, experience, skill, commitment and passion to excellence to make sure that your Christmas Event is a wonderful end-of-year celebration.

Tantalising...

Our catering options will suit all tastes and budgets. Choices range from the Australian favourite – the BBQ (either DIY or prepared for you) or picnic through to extensive mouth-watering buffets and the elegance of Silver Service dining or we can even provide you with the opportunity to bring in your own caterers.

No matter which option you chose we guarantee to pay close attention to detail to ensure the professional delivery of your menu selection.
