

FROM THE ADMIN DESK

OUR MISSION

Our mission is to facilitate the exchange of goods and services in an environment of fair and equitable trading to create a feeling of well being over and above the member's expectation.

OUR GUIDING PRINCIPLES

- Our prosperity parallels that of our community, locally, nationally and internationally
- Every policy decision is based upon the wellbeing of our members.
- We endeavor to create a feeling of wellbeing over and above the expectation of licensees, staff and members.
- We embrace all cultures, we judge none
- Risk making a wrong decision quickly rather than a decision at all
- Licensees are most important to continued growth, as are staff and members
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different – think and work faster, smarter and with less
- One thing that can be promised is change – it inspires innovation

Trading Tip for The Week

Have You Search the Classifieds for a Bargain?

ONLINE CLASSIFIEDS – where members can buy and sell items over the internet for FREE!

As a free service to E Banc Trade members, classifieds can be placed online via the E Banc Trade Classifieds site by members who wish to sell new or used items, and agree to abide by the E Banc Trade philosophy of 'right price, trade component negotiable'.

This is another great resource for members to sell their products or even personal items they wish to sell.

Online members can add classifieds on our website after logging in the Members' Section or alternatively if you are not online simply contact the Customer Support team to assist you to sell your item.

Quote of The Week

“In the modern world of business, it is useless to be a creative original thinker unless you can also sell what you create. Management cannot be expected to recognize a good idea unless it is presented to them by a good salesman ”
