#### OUR MISSION

Our mission is to facilitate the exchange of goods and services in an environment of fair and equitable trading to create a feeling of well being over and above the member's expectation.

#### OUR GUIDING PRINCIPLES

- Every policy decision is based upon the wellbeing of our members.
- We endeavor to create a feeling of wellbeing over and above the expectation of licensees, staff and members.
- We embrace all cultures, we judge none
- Risk making a wrong decision quickly rather than a decision at all
- Licensees are most important to continued growth, as are staff and members
- Staff ideas are valued as we continually strive to improve the business formula
- Dare to be different – think and work faster, smarter and with less
- One thing that can be promised is change – it inspires innovation
