Are You in Need of A New Directory?

We print our membership directories every three weeks to allow for charges and new members.

Whenever you are searching for goods and services in the membership directory always check the date in the bottom left hand corner to see how up to date your directory is. If you cannot find what you are looking for, contact Customer Support as we may have a new member who can assist you.

The membership directory available online at www.ebanctrade.com is the most up-to-date version and the best source of information.

If you would like to order a new membership directory contact Head Office, or request a directory by email to jackie@ebanctrade.com. You can request a Queensland directory OR one listing all other states' members. This will be charge to your account at \$5.

Putting these two directories together gives you a National Membership Directory, which together costs \$10.

Clarify E Banc Trade Membership

When contacting other members to spend your trade dollars, it is important to clarify that you are with E Banc Trade.

Sometimes confusion has occurred where a member has phoned another member and asked "Do you take Trade?" or "Do you take Barter?"

The person taking the call may get this confused with a different trade exchange.

They may not be taking one trade but still dealing with E Banc Trade.
