DON'T KEEP IT A SECRET!

Refer a new business that joins the exchange and receive \$100 cash!

Empire Trade invites members to receive **\$100 cash** paid directly into your nominated bank account for referring a new business to the Exchange. Members who understand the benefits to their business from trading within the Empire Trade Exchange, and who encourage other businesses to take part in what is a truly unique and affordable way to grow your business, can now receive **\$100 cash** for their efforts.

Most business owners would agree that a large percentage of their clientele comes from word of mouth; so we thought who better to refer new members than the members themselves. The new cash referral bonus encourages you to continue promoting Empire Trade with the added bonus of **\$100** if the new business joins the exchange.

For years members have been promoting the Empire benefits of extra business, interest free loans, free advertising, and real estate opportunities, to fellow business owners. **So why not get paid?**

There are no limits to how many times you can receive this cash bonus – simply keep recommending the exchange to businesses that choose to join.

Simple conditions apply:

- The referring member must set up an appointment between the new business owner and an Empire Trade representative, to be held at your local Empire Trade office.
- The membership fee of \$330 Cash must be received in full from the new business.
- The referring member needs to complete the referral form, including bank account details, for the payment of the cash bonus to be processed.

So, why not start today?

Refer new businesses that join; earn \$100 cash each time; and take advantage of the extra memberships to increase your own trading.

Feedback from Turbert Datta in Queensland

Da Sette Soldi Italian Restaurant in Clayfield has great service and beautiful food. The ambiance was great with classic Italian music playing in the background. Truly a memorable and romantic dining experience.

Feedback from Karen Barkhuyzen in Queensland

Our appreciation with the following restaurant was overwhelming. We went to the restaurant Da Sette Soldi for our second visit with overseas visitors, and our guest was not able to eat what was on the menu. Cane came to our table and our guest and Cane had a good discussion and decided on what was right for our guest. WE ended up having a special meal with service kind and caring. Thank you Da Sette Soldi for your service.
