CONGRATULATIONS

"Best Pizza Challenge" QLD Winner 2008

We would like to congratulate one of our Members, Chris Symons from Vitto Caffè Ristorante on the Sunshine Coast for winning the State Award for the "Best Pizza Challenge" 2008.

Forget Italy, the Sunshine Coast has claimed its own slice of pizza fame, taking out the top award in the "Best Pizza Challenge". Chris Symons, from Vitto Caffè Ristorante at Pacific Paradise, was named the Queensland winner in the gourmet section of the competition, staged in Brisbane this week.

The Mexican pizza has a corn and wheat flour base, with a tomato and re-fried bean sauce, topped with slow-cooked shredded Mexican beef, chorizo sausage and capsicum. It's then baked and dressed with a tomato, onion and coriander salsa, sour cream, guacamole, corn chips and pepperoni chips.

Chris said the award-winning pizza would be added to the menu at Pacific Paradise and at the new restaurant opening in Alexandra Headlands in a few months. He will now compete in the national pizza challenge in September and, if successful, will go on to the international competition in Las Vegas.

Internet Sales

Do you own a towable vehicle such as a caravan, open trailer, trailer tent, boat / trailer, jet ski / trailer or pop up caravan?? If you do, you are probably like most trailer owners who think "it will never happen to me" and leave your trailer in the front garden or next to the driveway facing the road. Leaving it there makes it extremely easy for a thief to reverse their vehicle, hook up your trailer and drive off.

A month ago I heard that a \$40,000 boat / trailer was stolen at about 7.45 in the morning from a driveway while the owner was inside having breakfast - this happened in Carine, WA.

One Size Fits All Wheel Clamp - www.wheel-clamp.com.au

Unlike other wheel clamps that will only fit one tyre width the 'One Size Fits All Wheel Clamp' will fit any diameter and width tyres / wheels from the smallest trailer tent wheel up to a 4WD size wheel and all size wheels in between without having to adjust anything. How ingenious is that? No welded parts. No bolts or screws used. No moving parts. Nothing to come loose or get lost.

Guaranteed by us, the manufacturer, for 25 years. That's no mistake - 25 years. Find another security product that is guaranteed for 25 years. The maximum you will find on a similar product is a 12 month limited warranty.

Cost For Empire Trade Members

- **Protector** - More protection than other wheel clamps - RRP: \$443.00 - **30% Trade**. Plus **we will pay the delivery fee** - saving you about \$44.00!
- **Enforcer** - Will stop all opportunistic and smash and grab thieves that represent about 98% of all thieves - RRP: \$543.00 - **30% Trade**. Plus **we will pay the delivery fee** - saving you about \$44.00!
- **Supreme** - Ultimate theft proof security. Designed to stop all methods that 99.9% of all thieves use. There is no security device sold that will stop professional thieves 0.1% - RRP: \$643.00 - **30% Trade**. Plus **we will pay the delivery fee** - saving you about \$44.00!

Most business owners can claim a 100% Tax deduction and we accept Visa or Master Card for the cash component. How do you place your order? Give Bill a call on 08 9497 3866 or send an email to sales@internetsales.com.au and I will contact you.
